BOOMER

"Boomer is a good quarterback. I think he's one of the best and he's become even better this year. He's getting rid of the ball quicker, is more precise in his mechanics and he's setting up quicker." BOBBY ROSS AFTER SPRING PRACTICE.

QUARTERBACK BOOMER ESIASON (E-SIGH-ah-SUN) 6-4, 200, senior, is the most prolific passer in Maryland football history. Despite playing in only 21 regular season games he holds the Terrapin career records for YARDS GAINED PASSING, TOUCHDOWN PASSES THROWN, PASSES ATTEMPTED AND COMPLETED and the TOTAL OFFENSE MARK.

He has started every game he has played in for the Terps and thrown one or more touchdown passes in 17 of the 22 games. He holds two single game passing marks and four season marks along with a pair of season total offense records.

While setting the records he has led the Terps to wins in nine of the 12 ACC games. In his first game utilizing the offensive system installed by Coach Bobby Ross he threw for 276 yards and a pair of touchdowns against National Champion Penn State. The Terps lost the game 39-31 but the Blonde Lefthander and the new offense had captivated Terrapin fans. The Terps wound up leading the ACC in scoring with 32.1 points a game and Esiason runner-up for league Player of the Year honors.

Esiason was one of 12 finalists for the Davey O'Brien National Quarterback Award and was honored by the Washington Touchdown Club as the Area College Player of the Year.

He has completed 54 percent of his 556 passes for the Terps. The career percentage is the only mark he does not hold for the Terps as Bob Avellini hit on 231 of 394 for a career mark of .586 in 1972-74.

In 11 games last fall Esiason hit on 176 of 314 passes for 2,302 yards and 18 touchdowns. He had only 10 interceptions, a passing percentage of .561 and averaged 209.3 yards per game passing. He then hit on 19 of 32 passes for 251 yards and a pair of touchdowns with only one interception against Washington in the Aloha Bowl, statistics that do not count in his season or career marks.

His longest passes of the season were 50 and 60 yards to Russell Davis for touchdowns against Penn State. He also hit on three of four conversion passes that are not included in the statistics.

As a sophomore he hit Russell Davis on scoring passes of 69 yards against Syracuse and 60 yards against Tulane.

His top single games were 279 yards on 24 of 39 passes against defending National Champion Clemson and 276 on 18 of 36 against National Champion Penn State. He also threw for 253 yards and three touchdowns on 19 of 33 against Duke.

Esiason also holds for the placements, has scored a pair of touchdowns rushing and caught a pass for 13 yards.

Robert J. "Bobby" Ross
Head Football Coach

Bobby Ross assumed the duties as Head Coach at the University of Maryland on January 14, 1982 and less than a year later had his team in the initial Aloha Bowl in Honolulu, Hawaii.

He immediately established a rapport with the members of the football squad establishing himself as a disciplinarian but one who treats every player as an individual. He impressed upon them the importance of their classroom work and captivated them with his football philosophy.

He immediately captivated the Terrapin fans as well, despite making his first appearance in Byrd Stadium with an 0-2 record. However, the Terps scored 31 points against National Champion Penn State in the opener and lost a one point decision at West Virginia when Ross declined a tie and went for a two point conversion and the win.

He won his Byrd Stadium opener against North Carolina State 23-6 and then won seven in a row before suffering his only ACC loss of the season to Clemson 24-22.

Ross also made an impression on the high school coaching ranks as 288 coaches attended the annual Maryland Coaching Clinic this past spring.

He has been accessible to the media and fans alike. The Washington Touchdown Club named him the 1982 College Coach of the Year while the Media voted him ACC Coach of the Year honors. The Coaches voted him District III Coach of the Year honors. He has been selected to participate in the ABC/NCAA football tour of 1983 appearing before the Football Writers at Kings Island.

He has covered Maryland and the neighboring states from border to border on speaking engagements and participated in numerous clinics.

His 1982 Terrapins upset North Carolina 31-24 in Chapel Hill before a sellout crowd and a Regional CBS television audience that covered over 30 percent of the nation. The Terps then returned to CBS to meet Clemson in Byrd Stadium and dropped an exciting 24-22 decision to the defending National Champions before 51,750 in the stadium that has 35,000 permanent seats.

Ross impressed Director of Athletics Dick Dull with his outlook on Intercollegiate Athletics, his organizational ability, his views on recruiting, classroom work and all phases of his coaching ability.

He has had a hand in just about every phase of coaching. He served as a head coach in high school, head coach on the collegiate level and as an assistant in the NFL. As an assistant he has worked with the freshmen, the defensive secondary, the offensive backfield, and the linebackers. He has served as defensive coordinator and headed the recruiting programs at several schools. On the professional level he has worked with the special teams, the defense and the offensive backfield.

As a head coach his 1974 Citadel team led the Southern Conference in total defense and his 1975 team ranked fifth in the nation in scoring defense, allowing opponents only 8.8 points a game. He coached The Citadel's all-time passer, all-time ground gainer and all-time placekicker. He also coached the school's first Associated Press All-American. His Citadel teams led the Southern Conference in home attendance in his last three years there and in 1975 and'76 broke the all-time attendance records for the school.

His first Maryland team led the ACC in scoring and rushing defense. The Terps also ranked third in the nation in rushing defense giving up only 87.2 yards a game and eighth in scoring with 32.1 points a game. The Terps averaged 39,325 per game in Byrd Stadium, an increase of 8,225 per game over 1981, and the highest average attendance since 1978. It was the highest scoring team in the ACC since 1972 and only two league scoring champions ever scored more in the 30 years of the ACC.

His first chore as the Maryland Coach was assembling a coaching staff. One that would bring new ideas and innovations to the game, experienced coaches and men who could convey their ideas to the young men. Eight of the nine assistant coaches have advanced degrees. The staff has worked with such well known coaches as Jerry Claiborne, John McKenna, Marv Levy, Bill Peterson, Ara Parseghian, Lou Holtz, Bo Rein, Bob Blackman, Ben Schwartzwalder, George Welsh, Bob Thalman and Vince Gibson among others.

Coach Ross is a strong believer in conditioning and a weight program. He has Frank Costello working with the football team on a strength, conditioning and flexibility program.

Ross was instrumental in having the Maryland Public Secondary Schools Championship games played in Byrd Stadium in 1982. The four Championship games will again be played at Maryland this Thanksgiving weekend.

HIGHLIGHTS OF HIS FIRST SEASON AT MARYLAND

FIRST VICTORY: Terps defeated North Carolina State in Byrd Stadium 23-6 for his first Maryland win, first game in Byrd Stadium and first ACC game. He became the first Terrapin coach to win his initial league game since Lou Saban in 1966. Last three Maryland coaches had failed to win over the Wolfpack in their league debut.

STREAK: Seven consecutive wins equaled the longest winning streak since the 1978 team won first eight games of season extending streak to 12.

National College Coach of the Year by the Washington Touchdown Club. Johnny Unitas Award by the Quarterback Club of Baltimore. Also honored by the Touchdown Club of Annapolis and others. The 84, 597 at Penn State was the largest crowd to ever see the Terps play.

NATIONAL RANKING: Team ranked 20th in final Associated Press and United Press International polls although not ranked in any pre-season polls. USA Today ranked the Terps 18th.

Richard Michael "Dick" Dull

Director of Athletics

Dick Dull is the chief administrator of an extremely successful Department of Intercollegiate Athletics. In his first two years as the Director of Athletics the Department has not only been successful in Intercollegiate competition but has been financially stable, operating in the black both years.

Dull spent his first Christmas as Director of Athletics searching the nation for a Head Football Coach. His second Christmas on the job was spent in Hawaii as Bobby Ross took the Terps to the initial Aloha Bowl for a Christmas Day game against Washington.

With the sole responsibility of finding a replacement coach, when Jerry Claiborne departed for his Alma Mater Kentucky, Dull publicly announced four criteria to guide his search: (1) a coach representative of the values, goals aspirations which Maryland had established for itself as an academic institution; (2) a coach capable of providing a positive meaningful and educational experience for the young men who play football at Maryland; (3) a coach capable of winning football games; (4) a coach who believed in playing wide open offensive football with special emphasis on the passing game. His search ended in Kansas City where Ross was serving as an assistant with the Kansas City Chiefs in the National Football League.

In his first year Ross took the Terps from a 4-6-1 record to an 8-3 record, a national ranking and a berth in the Aloha Bowl. He was named Atlantic Coast Conference and District III Coach of the Year.

Both Basketball teams followed with berths in the NCAA Championship Tournaments as the men played two games in Houston and the Women gained the final 16.

Dull has the responsibility for a self supporting department of the University with a five million dollar budget. In addition to supporting 22 varsity teams the Department is responsible for the operation and maintenance of an 18 hole golf course and driving range. Other facilities include Cole Field House, Byrd Stadium, Shipley Field, two football practice fields and an artificial turf all-purpose practice field. In addition there are facilities for Intercollegiate Soccer, Women's Field Hockey, Lacrosse and Tennis. The department has over 90 employees.

Dull assumed the duties of Director of Athletics on August 1, 1981. He was appointed by the Board of Regents on June 19,1981.

He was well qualified for the position taking over a department that he had worked his way through, beginning as a student athlete in 1964.

Despite rising prices, especially in the areas of equipment, medical care, insurance, travel and scholarships and competition for the entertainment dollar, he has maintained financial solvency.

The outlook for 1983-84 is bright. An aggressive promotional program, successful fund raising program, successful recruiting ventures and exciting competition against the best teams available all contribute to expectations for another year of national rankings and a balanced budget.

Since joining the Maryland Athletic Department Dull's duties have encompassed everything from coaching on the field to scheduling, supervision and administration of all non-revenue sports, serving as liaison with the Office of Financial Aid, supervision and administration of the Business Office of Intercollegiate Athletics and he reorganized the former Department of Women's Intercollegiate Athletics into the Office of Non-Revenue Sports.

Since taking over as Athletic Director he has reorganized the promotions department and initiated new Athletic Department publications designed to whet the appetite of sports fans and athletes interested in Maryland athletics.

He initially came to Maryland as a student-athlete from Biglerville High in Pennsylvania. He received his Bachelor of Arts as a Political Science major in 1967 and then moved on to the Maryland School of Law.

He received his Doctor of Laws in 1971 and the experience gained as an Attorney at Law for four years contributed to his success and perseverance throughout the past two years.

As an undergraduate he was a champion javelin thrower for the Maryland Track and Field team. His best competitive throw was 251 feet.

He was Pennsylvania High School Champion in 1961, the Pennsylvania Jaycee State Champion in 1963 and the PIAA State runner-up in 1963. In 1965 he was the National Junior AAU Champion.

Among his many titles won while at Maryland are ACC Champion, Penn Relay Champion, and ACC-SEC Champion. He also placed eighth in the National AAU Championships and the NCAA Championships.

As a javelin coach he produced two ACC Champions and an All-American, while also handling the academic affairs and administration of the Track team.

His Bar memberships include the Court of Appeals of Maryland and the Federal Court for District of Maryland.

He served from June 1971 to June 1973 as Attorney at Law, Legal Aid Bureau in Baltimore, Maryland and from June 1973 to January 1975 as Attorney at Law with the University of Southern California, National Senior Citizens Law Center. While with USC he served for a period as the Acting Director of the Washington office.

His hobbies include photography, fishing and motor sports. He was born on July 1, 1945.

WEIGHT TRAINING

Bobby Ross was an assistant coach with the Terrapins in 1972 when Maryland embarked on an intensive weight training program. His feelings towards a weight program are if anything even stronger today.

Frank Costello installed a downhill running program that he picked up from the Russians a few years ago while serving as the Maryland track coach in the mid '70's. Costello has worked with several NFL teams, especially the Green Bay Packers as a conditioning coach during the training camps. He is now the conditioning and weight training coach for all Maryland athletes. His training programs are designed for each sport and position as needed and may be quite effective if followed throughout the summer without requiring too much time.

Maryland football players have pride in their weight training and their off season efforts are obvious when they return in the fall bench pressing considerably more than they did when they completed spring practice.

Terps still point to Randy White of the Dallas Cowboys as an example. White has provided incentive to many Maryland athletes with his accomplishments in the program. White weighed 212 pounds and bench pressed 260 pounds when he enrolled at Maryland. He left at 248 pounds and bench pressed 450. Joining the 400 pound bench press club has become a goal for Maryland football players.

JOHNNY HOLLIDAY
(Voice of the Terrapins)

When it comes to talent and versatility, not many can come close to WMAL's Johnny Holliday. For the 5th straight year, Johnny is once again the voice of the University of Maryland Football and Basketball broadcasts heard on AM 63. The morning sportcaster is now in his 27th year in both Radio and Television. Whenever a big Sporting event occurs, be it the Masters golf tournament, a championship fight, or any major event, Johnny is there. Holliday also hosts the Stadium show before every Redskin game, is the play by play voice of the Washington Federals of the USFL, and co-host of the Bobby Ross and Lefty Driesell Television shows.

Johnny's 22 years of sportscasting experience includes the NFL and the NBA play by play and color, as well as both college football and basketball play by play, and coverage of major league baseball. Holliday can also be heard each morning and afternoon with his sports shows on the ABC Information Radio Network, nationwide.

Most any time you turn on the radio or television, Johnny can be seen or heard doing one of his many commercials. His voice and face, one of the most recognizable in the area. His Radio Oneders basketball and softball teams have raised over a million dollars for charity in the past 23 years. Johnny also finds time to act in Dinner theatre, emcee many charitable events, and for his many civic contributions to the Washington area, has been named Washingtonian of the year.

He and his wife Mary Clare have 3 daughters, Kellie, Tracie, and Moira and reside in Kensington, Maryland.

Joining Johnny Holliday on the Maryland football network are Jack Scarbath and Pete Wysocki. Scarbath, a former Terrapin quarterback, will work from the sidelines while Wysocki, former Washington Redskin, will work from the booth. Scarbath has been with the network for several years while Wysocki, an account executive with WMAL will be a part of the broadcast team for the second consecutive year.

WMAL (630) will originate the broadcast and feed the 18 station network. WFBR (1300) will originate its own broadcast instead of being a part of the network as in the past.

Terrapin games may be heard on the following stations:

INTERVIEWS

PLAYERS: It is requested that all player interviews be arranged through the Sports Information Office. We will make every attempt to have the players call you at a designated time or be available for an interview on campus. Please make request at least a day in advance so we can arrange with the athletes at practice. On many class days it is impossible to get in touch with them until they show up at practice.

HOME GAMES: Coach Ross will meet the media in the Team Meeting Room on the first floor of the Football Building about 10 minutes after the game. Key players will also be available in this area following Coach Ross. The visiting coach will meet the Media in Coach Stan Pitts' Track Office adjacent to the visiting locker room.

TUESDAY PRESS LUNCHEON: Coach Ross and Athletic Department officials will attend a weekly luncheon each Tuesday during the season at the Center of Adult Education on Campus. Coach Ross will be available from 11:45 to 1:15 or upon completion of the interviews. TV and Radio interviews will be accomodated prior to and following the luncheon as requested.

NOTE: For those requesting Tuesday player interviews if classes do not conflict we will have them available in the sports information office at 1:30.

BEST TIME TO CATCH COACH ROSS: Tuesday at Luncheon, Monday and Wednesday from Noon to 2:30 P.M.

Dr. John S. Toll

President

John S. Toll is a vital force for excellence in higher education in the State of Maryland and in the nation.

In 1978, when he became the 22nd president of the University it was his hope that "with a determined effort from everyone concerned, the University of Maryland can, in about a decade, become one of the best state university systems in the nation."

Now, on his fifth anniversary, a major national study has placed the University near that mark. The National Academy of Sciences evaluation of graduate education in the U.S. shows the departments of computer science, physics, math, art history, economics and electrical engineering among the top 10 public universities in scholarly quality of the faculty. Seven other programs ranked among the top 20. Of these the arts and humanities programs were also listed in the 10 most improved among public universities.

Growing confidence in the quality of the University has brought five gifts of $1,000,000 or more from individuals and organizations since Dr. Toll became president. Membership in the Presidents Club (donors of $10,000 and above) has quadrupled to 410, and the number of alumni and friends who contribute to the annual fund has grown from 5,000 to 20,000.

Exceptional students, too, are recognizing the University's strong academic position. In five years there has been a six-fold increase in the number of National Merit and National Achievement winners coming to Maryland; 21 of the 38 1983 National Merit winners in Maryland are students here this fall. And, at a time when SAT scores of entering freshman were declining nationally, there has been a steady increase at Maryland.

Dr. Toll received his undergraduate degree in physics from Yale where he graduated with highest honors. His advanced physics degrees were earned at Princeton. An avid jogger, camper and tennis player, Dr. Toll and his wife Deborah have two daughters.

Dr. John Brooks Slaughter

Chancellor

John Brooks Slaughter, the third Chancellor of the College Park Campus, is a distinguished scientist and a dedicated humanitarian as well as an able administrator. His research specialities are in the fields of electrical engineering and computer systems. His accomplishments in these fields have brought him high recognition. He is a Fellow in the Institute of Electrical and Electronic Engineers and the American Association for the Advancement of Science. He holds membership in the National Academy of Engineering, was selected U.C.L.A. Engineering Alumnus of the Year (1978), received the Distinguished Service Award from the National Science Foundation (1979), and was recognized for Distinguished Service in Engineering by Kansas State University (1981).

Since his undergraduate days Dr. Slaughter has been active in humanitarian affairs. As chapter president of Zeta Sigma Lambda Chapter of Alpha Phi Alpha Fraternity, Inc., (San Diego) from 1957 to 1959 he participated in cultural, social, and educational activities directed toward the enhancement of the black community in San Diego. As president of the Board of Directors of the San Diego Urban League he was concerned with providing equal opportunities in education, employment, housing, and social services.

Prior to assuming his responsibilities at the University of Maryland he served as Academic Vice President and Provost at Washington State University and as Director of the National Science Foundation. In his inauguration address to the College Park campus on May 3, 1983, he set the course for his administration: "I want to see this campus continue its vigorous pursuit of academic excellence while reaching out to a more diversified student body. I want the University of Maryland at College Park to set a national standard for excellence and equality. As we pursue these goals, we must also enhance our contributions to the State. Finally, I am committed to a university that is a community — a community that takes pride in itself and touches each person involved in the campus with pride."

1982 IN REVIEW

When Bobby Ross assumed the duties as the Maryland football coach he promised the fans exciting football. We will make things happen both offensively and defensively he said.

Exciting it has been for the Maryland players and fans. The Terps won eight of 11 games and lost the three by a total of 11 points.

They opened the season dropping a 39-31 decision at Penn State and then lost to West Virginia 19-18 in Morgantown when the attempt at a two point conversion and the win failed.

Ross and the Terrapins wound up playing for the Atlantic Coast Conference Championship on November 13 and lost a 24-22 decision to Clemson.

Maryland's wide tackle six defense once again ranked among the best in the nation holding opponents to only 87 yards a game rushing and 293 yards a game total offense. The Maryland offense averaged 419 yards a game.

The Terps made 41 changes in the Maryland record books and 33 of the records were established by the offense.

PENN STATE (Sept. 11 Beaver Stadium, University Park, PA). There were 84,597 on hand to see the exciting opener won by Penn State 39-31. It was the largest crowd to ever see a Maryland football team and the third largest in the history of Beaver Stadium. Bobby Ross, in his debut, saw his offense score more points than any Maryland team ever had against Penn State and more than they had scored in the last four years combined. Russell Davis had a school record 188 yards on pass receptions with a pair of touchdown receptions from Boomer Esiason of 50 and 60 yards. Penn State blocked a punt on the fourth play of the game and had a first and goal but had to settle for a field goal as the Maryland defense held on the one. The teams then swapped field goals before Penn State recovered a fumble on the Maryland 25 and took a 13-3 lead.

Terps drove 80 yards to cut it to 13-10 but another Maryland fumble led to a score and a 20-10 halftime lead. Esiason hit Davis with a 50 yard toss after an interception by Lendell Jones stymied Penn State. Penn State drove to the Maryland one with a first and goal but again had to settle for a field goal and 23-17 lead.

Maryland took a 24-23 lead on Esiason's 60 yard pass to Davis hut Penn State came back to take a 36-24 lead. Willie Joyner's second touchdown of the game cut it to 36-31 but the Terps fell short as their final drive ended on

the Penn State 24 with an interception. Joyner was named the ACC offensive player of the week.

WEST VIRGINIA (Sept. 18, Mountaineer Field, Morgantown, W VA). The largest crowd to ever see a sporting event in the state saw a game that was ultimately decided by an errant conversion pass with 1:39 left in the game.

After the high scoring opener the Terps were in a defensive struggle that saw them leading 12-9 after three quarters. The Terps scored first on a safety, West Virginia took 3-2 and 6-2 leads before Boomer Esiason's pass to Russell Davis made it 9-6 at the half. West Virginia tied the score 9-9 and Jess Atkinson gave Maryland a 12-9 lead with a 49 yard field goal. West Virginia went ahead 19-12 with a touchdown and a field goal but Maryland drove 75 yards with Rick Badanjek, a freshman, scoring his first touchdown with 1:39 left in the game. Coach Bobby Ross immediately went for the two points and the win but the conversion pass failed.

Running backs Willie Joyner and Dave D'Addio were both home recuperating from injuries and the Terps rushed for only 66 yards.

NORTH CAROLINA STATE (Sept. 25, Byrd Stadium). Bohhy Ross made his Byrd Stadium debut as an

underdog to the N.C. State Wolfpack but picked up his first win as the Terps took a 23-0 lead and won 23-6.

Boomer Esiason threw a touchdown pass to Russell Davis on the first play of the second quarter and three plays later Howard Eubanks intercepted a pass and his 19 yard return gave Maryland the ball on the seven. Freshman Rick Badanjak carried three straight plays scoring on third and one.

Badanjak then recovered a fumble on the ensuing kickoff and Jess Atkinson kicked the first of three field goals for a 17-0 lead. The Terps had scored 17 points in just 3:38 of the period. Atkinson added a 45 yard field goal on the final play of the first half.

Willie Joyner returned to the lineup and rushed for 111 yards after missing the West Virginia game and Dave D'Addio played for the first time after missing both road games.

Maryland drove 95 yards to the State one to open the fourth quarter but stalled and Atkinson kicked his third field goal of the game for a 23-0 lead.

State came into the game with a 3-0 record while Maryland was 0-2. The Terps held State to zero yards rushing and Mark Duda was named the ACC defensive player of the week.

Boomer Esiason threw a 43 yard scoring pass to Nash as the Terps passed for 214 yards and rushed for 205.

The Maryland defense held Syracuse to 23 yards rushing as Mike Corvino was named the ACC defensive lineman of the week.

Syracuse crossed midfield once in each half. They reached the Maryland 32 in the first half but Corvino came up with the ball on a sack and recovered fumble. In the third quarter Syracuse drove 66 yards to the 27 but had to settle for a 44 yard field goal. In the fourth quarter they took over on the Maryland 45 but J. D. Gross intercepted on first down from the 30 for the Terps.

DUKE (Oct. 23, Byrd Stadium). The Terps were playing their third consecutive home game and gave Coach Bobby Ross a perfect Stadium record with the 49-22 win over Duke.

The Terps led 29-0 with only 11:14 gone in the game as Boomer Esiason threw touchdown passes of 15 and 20 yards to Greg Hill, 12 yards to John Tice and ran for a score.

Jess Atkinson kicked a pair of field goals and John Nash and Rick Badanjek ran for touchdowns as the Terps improved their record to 5-2 with five consecutive wins.

John Tice was named the ACC offensive lineman of the week, catching four passes, scoring one touchdown and blocking well on the corners.

Lendell Jones, with a school record four inteceptions, was named the league's defensive back of the week. Jones intercepted Ben Bennett three times.

Tim Quander returned the opening kickoff 74 yards to the Duke 21 and Esiason passed for the score three plays later. After Duke ran three plays and punted the Terps drove 74 yards for a score. The snap from center was high and Esiason jumped up to catch it and then threw to John Tice for two points. Three plays later Jones intercepted a pass and returned it to the 12. Esiason ran it in for the touchdown and one play later Jones again intercepted Bennett on the Duke 44.

It was the first time since 1954 that the Terps had recorded over 100 points in back-to-back games. With 52 against Wake Forest and 49 against Duke the Terps had 101 points in the two games. In 1954 Maryland beat George Washington 48-6 and Missouri 74-13 in the final two games of the season.

UNC led 14-10 at the half and took a 17-10 third quarter lead on a field goal after an Esiason pass was intercepted on the six and returned 57 yards to the 37 where John Tice caught the Tar Heel back from behind.
